WELCOME TO THE TiVo® EXPERIENCE!

The TiVo experience instantly gives you total control of the TV programming you love, and much more! The TiVo digital video recorder (DVR) also connects to the Internet and gives you access to an entire universe of on-demand movies, TV shows, and web videos (and you can stream shows from your TiVo DVR to every room in your home)!

Also, with six tuners and 150 hours of HD-recording capacity (enough for 300 episodes of “Modern Family”), you can say goodbye to recording conflicts!

Press the TiVo button on your TiVo remote control to get to the Home screen, the starting point for all of TiVo’s amazing features. For more help using your TiVo box, visit two.com/howto.

MY SHOWS

FIND. WATCH. REPEAT.

All of your recordings and streaming videos appear in the My Shows list. To get to the My Shows list from any menu screen or from live TV, just press the TiVo button twice. (Just press it once if you’re already on the Home screen.)

At the top of the My Shows list, you’ll see the Continue Watching strip: the fastest route to the shows you’ve been watching most recently. Below that, filters like ‘Movies,’ ‘TV,’ and ‘Kids’ let you narrow your My Shows choices instantly. Beneath the filters, you’ll find all of your OnePass selections, single recordings, WishList searches, and bookmarks.
