Re: Service Electric Cable TV, Inc.

In order to reduce printing and mailing costs, the Federal Communications Commission will no longer be issuing EEO Certification postcards to multichannel video programming distributors (MVPDs, including cable units). Therefore, this electronic letter will serve as your 2018 Certification of Compliance under 47 CFR § 76.77(b) of the Commission's rules. This certification applies to the unit listed below for the 2018 reporting year. If you have any questions regarding this matter, please contact Lewis Pulley at 202-418-1450 or lewis.pulley@fcc.gov.
